Committee Reports:

1. Site Selection looked at many sites. Top three so far are:
 - A. 136th and Holly - Park in place, not enough funds to complete at this time.
 - B. 136th and Colorado Boulevard – High hill, plans available to view.
 - C. 112th and Colorado Boulevard – Grove of trees in low land creek area. Master plan has a memorial park area designated.
2. Parks and Recreation Department looking for an architect who would do pro bono work per Jack Ethridge. He suggested we contact New Mexico who is doing a 9 – 11 Memorial and find out who is doing the statutes.
3. All paper work is to the attorney for his review.
4. Fundraising:
 - A. Suggestions for fundraisers:
 - 1.) Raffle off motorcycle, take to all festivals, sell tickets for either \$25 or \$50 apiece. Carol and Rebecca to talk to Harley dealer.
 - 2.) Bingo
 - 3.) Coordinate events with city activities.
 - B. Advertise with Comforts of Home on their t-shirts.
 - C. Need location and design before holding raffle.

New Business:

1. New members, Mary Smith and Randy Bishop introduced.
2. Put links of the City of Thornton website.
3. Marty suggested we put together a television spot for channel 8.
4. Next meeting, August 1, 2005, a design committee should be selected.
5. Tony Hake brought several designs for the logo that will work better when shrunk. Terry motioned to accept logo #3 and Rebecca seconded. Motion was withdrawn and a ballot vote on the logos was done. Logo #3 was the winner.

Respectfully submitted,
