The Thornton Veterans Memorial Foundation is a nonprofit group established by citizens of Thornton with the sole purpose of building and maintaining a veterans memorial. Enter 385961 in YourHub.com's Content Finder to read more.

Larkridge retail development, presented the Thornton Veter-

ans Memorial Foundation with a \$5,000 donation Nov. 1. The donation is part of a larger \$10,000 donation to be given to the project over the next six months.

In a presentation at the Perlmutter offices in downtown Denver, **Jordon Perlmutter** and **Jonathan Perlmutter** presented the foundation with the donation.

Jordon Perlmutter, the company's founder, is himself a Coast Guard veteran having served honorably aboard a buoy tender in New York. He said that he was eager to contribute to the memorial and its efforts to recognize the

sacrifices veterans have made.

"We want to be part of this project for the city of Thornton and all veterans," he said.

Accepting the donation on behalf of the foundation was **Jim Branaugh**, vice chairman, a fellow Coast Guard veteran.

"Jordon Perlmutter & Co. has a long and proud tradition of giving back to the community and this contribution shows not only their dedication to the communities in which the company conducts business but also to the veterans of our United States Armed Forces," he said.
