About the Thornton Veterans Memorial Foundation

Founded in 2005, the Thornton Veterans Memorial Foundation is a 501(c)(3) non-profit organization established by citizens of Thornton, Colorado with the sole purpose of building and maintaining a veterans memorial. Our nation's veterans have served and protected the United States for 230 years. They have made sacrifices small and large, all to ensure the freedom of this great nation. A fitting and proper tribute within our city is a small way of showing our appreciation for their service. Privately funded and created, the Foundation endeavors to make this memorial a reality for the city, its citizens and all veterans.

The memorial will pay tribute to all veterans of the past, present and future. Located near the Thornton Recreation Center at 108th Avenue and Colorado Boulevard, the memorial will be centrally located and easily accessible from anywhere in the north metro area. The design, based on a five point star with each point representing each branch of military service, will be over 150 feet in diameter. A pentagon and five-sided obelisk will be in the center of the memorial with individual monuments for the Army, Navy, Air Force, Marines and Coast Guard surrounding it.
