**Golf Tournaments, Inc. Contributes to Vietnam Traveling Memorial Wall Event**  
*Carts to Help Foundation Put on Premier Event*

THORNTON, Colorado – Golf Tournaments, Inc., one of the largest golf cart rental and sales companies in the country, has agreed to donate golf carts for use at the Vietnam Traveling Memorial Wall event. The carts will be used for a number of tasks during the event but most notably they will be used to transport ill and elderly veterans from the parking facilities to the Wall, thus providing a much needed service to those men and women who have sacrificed for our nation.

Of all the war memorials, the Vietnam Veterans Memorial - *the Wall* - arguably invokes the strongest emotional reaction of any and it is the single most visited memorial in the country. The Foundation, working in conjunction with the city of Thornton, has arranged to bring a 3/5 scale version of the memorial to the city from July 3 to July 7, 2008. The Wall will be available for public viewing 24 hours a day on those dates at the multipurpose fields at the Margaret W. Carpenter Recreation Center (11151 Colorado Boulevard, Thornton, CO 80233).

This event would not be possible but for the generous contribution of Golf Tournaments, Inc. and other area businesses and organizations. As a “Two Star Sponsor” of the event, Golf Tournaments, Inc. continues to demonstrate their commitment to not only the community but also to all servicemen and women and veterans.

The Foundation thanks Golf Tournaments, Inc. for their generous contribution to this event. We look forward to working with them and other area businesses, organizations and citizens on this extraordinary event.

## **About the Thornton Veterans Memorial Foundation**

Founded in 2005, the Thornton Veterans Memorial Foundation is a 501(c)(3) non-profit organization established by citizens of Thornton, Colorado with the sole purpose of building and maintaining a veterans memorial. Our nation's veterans have served and protected the United States for 230 years. They have made sacrifices small and large, all to ensure the freedom of this great nation. A fitting and proper tribute within our city is a small way of showing our appreciation for their service. Privately funded and created, the Foundation endeavors to make this memorial a reality for the city, its citizens and all veterans.

The memorial will pay tribute to all veterans of the past, present and future. Located near the Thornton Recreation Center at 108<sup>th</sup> Avenue and Colorado Boulevard, the memorial will be centrally located and easily accessible from anywhere in the north metro area. The design, based on a five point star with each point representing each branch of military service, will be over 150 feet in diameter. A pentagon and five-sided obelisk will be in the center of the memorial with individual monuments for the Army, Navy, Air Force, Marines and Coast Guard surrounding it.
