North Metro Impact Printing Contributes to Vietnam Traveling Memorial Wall Event
Donation to Help Foundation Put on Premier Event

THORNTON, Colorado – North Metro Impact Printing, one of the premier print service companies in the area, has presented the Thornton Veterans Memorial Foundation with a \$500.00 in-kind contribution. By providing printing services for the Thornton Veterans Memorial Foundation and the Vietnam Traveling Memorial Wall event, Impact is helping to ensure the success of this very special event during Thornton’s annual Independence Day celebration.

Of all the war memorials, the Vietnam Veterans Memorial - *the Wall* - arguably invokes the strongest emotional reaction of any and it is the single most visited memorial in the country. The Foundation, working in conjunction with the city of Thornton, has arranged to bring a 3/5 scale version of the memorial to the city from July 3 to July 7, 2008. The Wall will be available for public viewing 24 hours a day on those dates at the multipurpose fields at the Margaret W. Carpenter Recreation Center (11151 Colorado Boulevard, Thornton, CO 80233).

This event would not be possible but for the generous contribution of North Metro Impact Printing and other area businesses and organizations. As a “One Star Sponsor” of the event and helping to provide crucial printing services, North Metro Impact Printing continues to demonstrate their commitment to not only the community but also to all servicemen and women and veterans.

The Foundation thanks North Metro Impact Printing for their generous contribution to this event. We look forward to working with them and other area businesses, organizations and citizens on this extraordinary event.

About North Metro Impact Printing

North Metro Impact Printing is one of the fastest growing print service companies in the Northern Denver Metro Area and has over 30 combined years experience in the print industry.

North Metro Impact Printing, was originally founded as Kuehn Printing in 1978, with the intent of offering consistent quality that would help build lasting relationships with their customers. After a change of ownership in 2003 and a name change to North Metro Impact Printing in 2004, the company has maintained that mission, providing exceptional quality and value for ad agencies and direct business customers alike.

The print world has evolved dramatically over the last 30 years. In 1978 the company started offering traditional sheet fed print services. Currently they offer digital print services to go along with a number of upgrades and advances that have been made to their print services and equipment over the years. All this allows North Metro Impact Printing to provide a complete print solution.

The company is committed to providing personal service for each and every customer, no matter what the job parameters may be. They handle each print project with the customer's needs in mind, and the North Metro Impact Printing team is always happy to provide a variety of solutions to suit their customer's budget and desired end result.

You can learn more about North Metro Impact Printing on their website at <http://www.impactptg.com> and at their offices at 2230 Lake Avenue, Eastlake CO, 80614.

About the Thornton Veterans Memorial Foundation

Founded in 2005, the Thornton Veterans Memorial Foundation is a 501(c)(3) non-profit organization established by citizens of Thornton, Colorado with the sole purpose of building and maintaining a veterans memorial. Our nation's veterans have served and protected the United States for 230 years. They have made sacrifices small and large, all to ensure the freedom of this great nation. A fitting and proper tribute within our city is a small way of showing our appreciation for their service. Privately funded and created, the Foundation endeavors to make this memorial a reality for the city, its citizens and all veterans.

The memorial will pay tribute to all veterans of the past, present and future. Located near the Thornton Recreation Center at 108th Avenue and Colorado Boulevard, the memorial will be centrally located and easily accessible from anywhere in the north metro area. The design, based on a five point star with each point representing each branch of military service, will be over 150 feet in diameter. A pentagon and five-sided obelisk will be in the center of the memorial with individual monuments for the Army, Navy, Air Force, Marines and Coast Guard surrounding it.
