## Chairman issues open letter to the community

Following up on the tremendous success of the Vietnam Traveling Memorial Wall event, our chairman thanks the community for their support and issues a "call to arms". In part it reads:

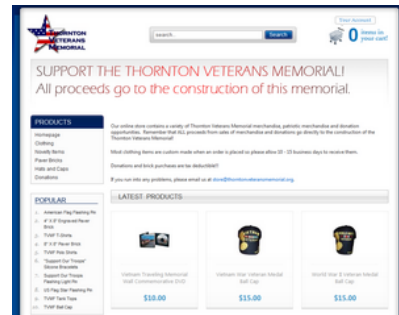

*From the Revolutionary War to Operation Iraqi Freedom, from Concord to Kabul, whether war time or peace, millions of men and women have stepped forth to ensure this nation and other nations remain free. These men and women have paid a high price for our freedom, selflessly sacrificing life or limb for an honorable cause, and these are the people the Thornton Veterans Memorial will honor.*

*It is with all of this in mind that the Thornton Veterans Memorial Foundation issues a "call to arms." We have been working for the last three years to make the memorial a reality. Now is the time for the entire Denver metropolitan community to step forward and help us.*
